INTRODUCTION TO ECUST

East China University of Science and Technology (ECUST) is located in Shanghai, a center of commerce, finance, trade and shipping of China. Founded in 1952 and originally called East China Institute of Chemical Technology

- ★ The national research-oriented university directly regulated by the Ministry of Education of China
- ★ National '211 Project' University
- ★ National '985 Advantage Discipline Innovation Platform' University
- ★ National 'Double First-Class Initiative' University
- ★ QS World University Rankings of 28th in China
- ★ 15 majors among National first-class undergraduate majors

ECUST possesses 20 schools and colleges, covers 11 disciplines such as science, engineering, economics, management, literature, law, art etc. There are 72 Bachelor's programs and over 26,000 full-time students including 16,569 undergraduates, 7,766 master students and 1,832 doctoral students. According to the Essential Science Indicators (ESI) Database, seven disciplines in ECUST rank top 1% in the world, namely

Chemistry, Materials Science, Engineering, Biology and Biochemistry, Pharmacology and Toxicology, Agriculture Science, Computer Science, among of which Chemistry ranks top 1%.

ECUST graduates have been enjoying praise and reputation among employers and the society, with a ranking of 16th in mainland China according to QS University Graduates Employment Competitiveness.

»» Application Deadline

June, 30, 2021

»» Term Begins

September, 2021

»» Duration

4 Years
