YEAR 2021

INTRODUCTION OF JIAXING CITY

Located in the Zhejiang Province of the Yangtze River Delta Region, Jiaxing enjoys a unique location advantage and it is only 100km away from cities of Shanghai, Hangzhou, Suzhou and Ningbo. It takes only about 25 minutes to get to Shanghai and Hangzhou by high-speed train. There are five international airports within its 2 hour driving radius.

As the birthplace of Jiangnan Culture, Jiaxing is a famous national historical and cultural city with the history of more than two thousand years. Known as the "Land of Plenty" and the "House of Silk", Jiaxing has been a prosperous place since ancient times. It is a tourist city approved by the State Council of PRC with the characteristics of water towns in the south of the Yangtze River in China. Since 2013, Wuzhen Theatre Festival and Xitang Han Chinese Clothing Cultural Festival have been held annually. In 2014, Wuzhen, an ancient town in Jiaxing, became the permanent site of the World Internet Conference.

Jiaxing is an attraction for foreign investors. By the end of 2020, Jiaxing had attracted the landing of more than 120 projects from the world's top 500 companies, including Philips, Shell, Lego, Heineken, Abbott, Mars, etc.

Jiaxing has been awarded numerous honors and titles including the "National Civilized City", "China's Famous Historical and Cultural City", "Excellent Tourist City of China", "National Garden City", "National Greening Model City", "National Hygienic City" and "National Excellent City for Overall Administration of Public Security". Jiaxing boasts flourishing social undertakings, stable and secured society, as well as prosperous and promising residents. Jiaxing is a city where you can enjoy civilization, harmony and a happy life.

INTRODUCTION OF JIAXING UNIVERSITY

Located in Jiaxing, Jiaxing University is a public university approved by the Ministry of Education of the People's Republic of China. With three campuses in Yuexiu, Lianglin and Pinghu separately, Jiaxing University covers an area of 1.2 square kilometers. The total value of teaching and scientific research equipment is over \$70 million. The library has a collection of 2.15 million paper collections and 2.15 million electronic collections respectively. Jiaxing University has 17 teaching units, more than 15,600 full-time students, and 7 affiliated hospitals, including 1 directly affiliated hospital.

Lu Jun, the president of Jiaxing University, is an academician of the Chinese Academy of Engineering and chief scientist of China Electronics Technology Group Corporation.

Professor Zhu Jingwu, honorary president of Jiaying University, is a world-famous physicist and former president of Hong Kong University of Science and Technology. Jiaying University has more than 1,700 faculty and staff, including 3 full-time academicians, 6 part-time academicians, national special experts and so on. There are 2 provincial key innovation teams, 4 provincial teaching teams and 16 Jiaying key science and technology innovation teams.

There are 57 undergraduate programs. Up to now, Jiaying University has 2 national first-class undergraduate programs (Clinical Medicine and Accounting) and 11 provincial first-class undergraduate programs. It has 11 national and provincial experimental teaching platforms as well. Jiaying University has been dedicated to promoting the integration of industry and education and school-enterprise cooperation. It has built more than 30 school-enterprise cooperation education platforms, such as Yat Mechanical and Electrical Institute and Alibaba Industry-University-Research Base. For four consecutive years, it has retained the first in the rankings of the classification and evaluation of similar ordinary undergraduate colleges and universities in Education Department of Zhejiang Province.

Jiaying University has cooperated with more than 80 universities and institutions in over 20 countries or regions. It has established PhD Research Program with universities in Australia, DBDM (Dual Bachelor's Master's Program) with universities in Germany, and dual degree

programs with universities in the United Kingdom, the United States, Japan, South Korea and other countries. In the past five years, more than 1,500 Chinese students have been recommended to over 40 overseas universities for study and exchange. About 530 international students from 26 countries and regions have been enrolled in Jiaying University. Jiaying University has jointly carried out scientific research activities with experts from many countries, hosted the East Asia Economic and Cultural Forum, Starlit South Lake Summit and other international seminars, and organized China-Japan-Korea International Exchange Exhibition.

Adhering to the motto of "Integrity and Tenacity; Diligence and Prudence", and building the ethos of "To pursue the reality, the truth and the right path", Jiaying University is committed to improving capacity of scientific research, social service, cultural inheritance and innovation, and international communication and cooperation ability and striving to build a local application-oriented university with distinctive features, good innovation and high standards.

CATALOG OF UNDERGRADUATE PROGRAMS FOR INTERNATIONAL STUDENTS

No.	Schools and Colleges	Majors	Discipline	Teaching Language	Study Duration	Remarks
1	College of Economics	International Economics and Trade	Economics	Chinese; English	4 Years	
2		Economics	Economics	Chinese	4 Years	Provincial First-Class Undergraduate Majors Construction Site
3		Finance	Economics	Chinese	4 Years	
4	College of Business	Accounting	Management	Chinese	4 Years	National First-Class Undergraduate Majors Construction Site
5		Human Resources Management	Management	Chinese	4 Years	Provincial First-Class Undergraduate Majors Construction Site
6		Logistics management	Management	Chinese	4 Years	
7		Marketing	Management	Chinese	4 Years	
8		Information Management and Information System	Management	Chinese	4 Years	
9		Financial Management	Management	Chinese	4 Years	
10		Business Administration	Management	Chinese	4 Years	
11	College of Foreign Studies	English	Literature	English	4 Years	
12		Japanese	Literature	Chinese	4 Years	
13	College of Materials and Textile Engineering	Polymer Materials and Engineering	Engineering	Chinese; English	4 Years	
14		Light Chemical Engineering	Engineering	Chinese; English	4 Years	
15		Textile Engineering	Engineering	Chinese; English	4 Years	Provincial First-Class Undergraduate Majors Construction Site
16	College of Information Science and Engineering	Mechanical Design, Manufacturing and Automation	Engineering	Chinese	4 Years	Provincial First-Class Undergraduate Majors Construction Site
17		Electric Engineering and Automation	Engineering	Chinese	4 Years	
18		Electronic Information Engineering	Engineering	Chinese	4 Years	Provincial First-Class Undergraduate Majors Construction Site
19		Vehicle engineering	Engineering	Chinese	4 Years	
20		Robot Engineering	Engineering	Chinese	4 Years	
21		Material Processing and Control Engineering	Engineering	Chinese	4 Years	
22		Computer Science and Technology	Engineering	Chinese	4 Years	Provincial First-Class Undergraduate Majors Construction Site
23		Network Engineering	Engineering	Chinese	4 Years	
24		Software Engineering	Engineering	Chinese	4 Years	

25	College of Civil Engineering and Architecture	Civil Engineering	Engineering	Chinese; English	4 Years
