

中国石油大学（华东）

China University of Petroleum (East China)

An Ideal University for Study & Research

“石”至名归 一路“油”你

# 中国石油大学（华东）

China University of Petroleum

National key university

Ministerial level university

- “Double First-Class Construction” university
- “211 Project” university
- “985 project innovation platform for well-established disciplines” university

Co-constructed by

- Ministry of Education
- Shandong Province
- 5 national energy enterprises (CNPC, SINOPEC, CNOOC, SHENHUA, YANCHANG)

“The cradle of talents in petroleum industry”

Engineering-oriented university with various disciplines of science, management, liberal arts, law and economics

**19000**

Undergraduate  
Students

**9500**

Postgraduate  
Students

**87000**

Distance Learning  
Students

**900**

International  
Students

• **1700+ Teaching Faculty**

• **1500+ Staff Members**

• **1100+ Professors & Associate Professors**

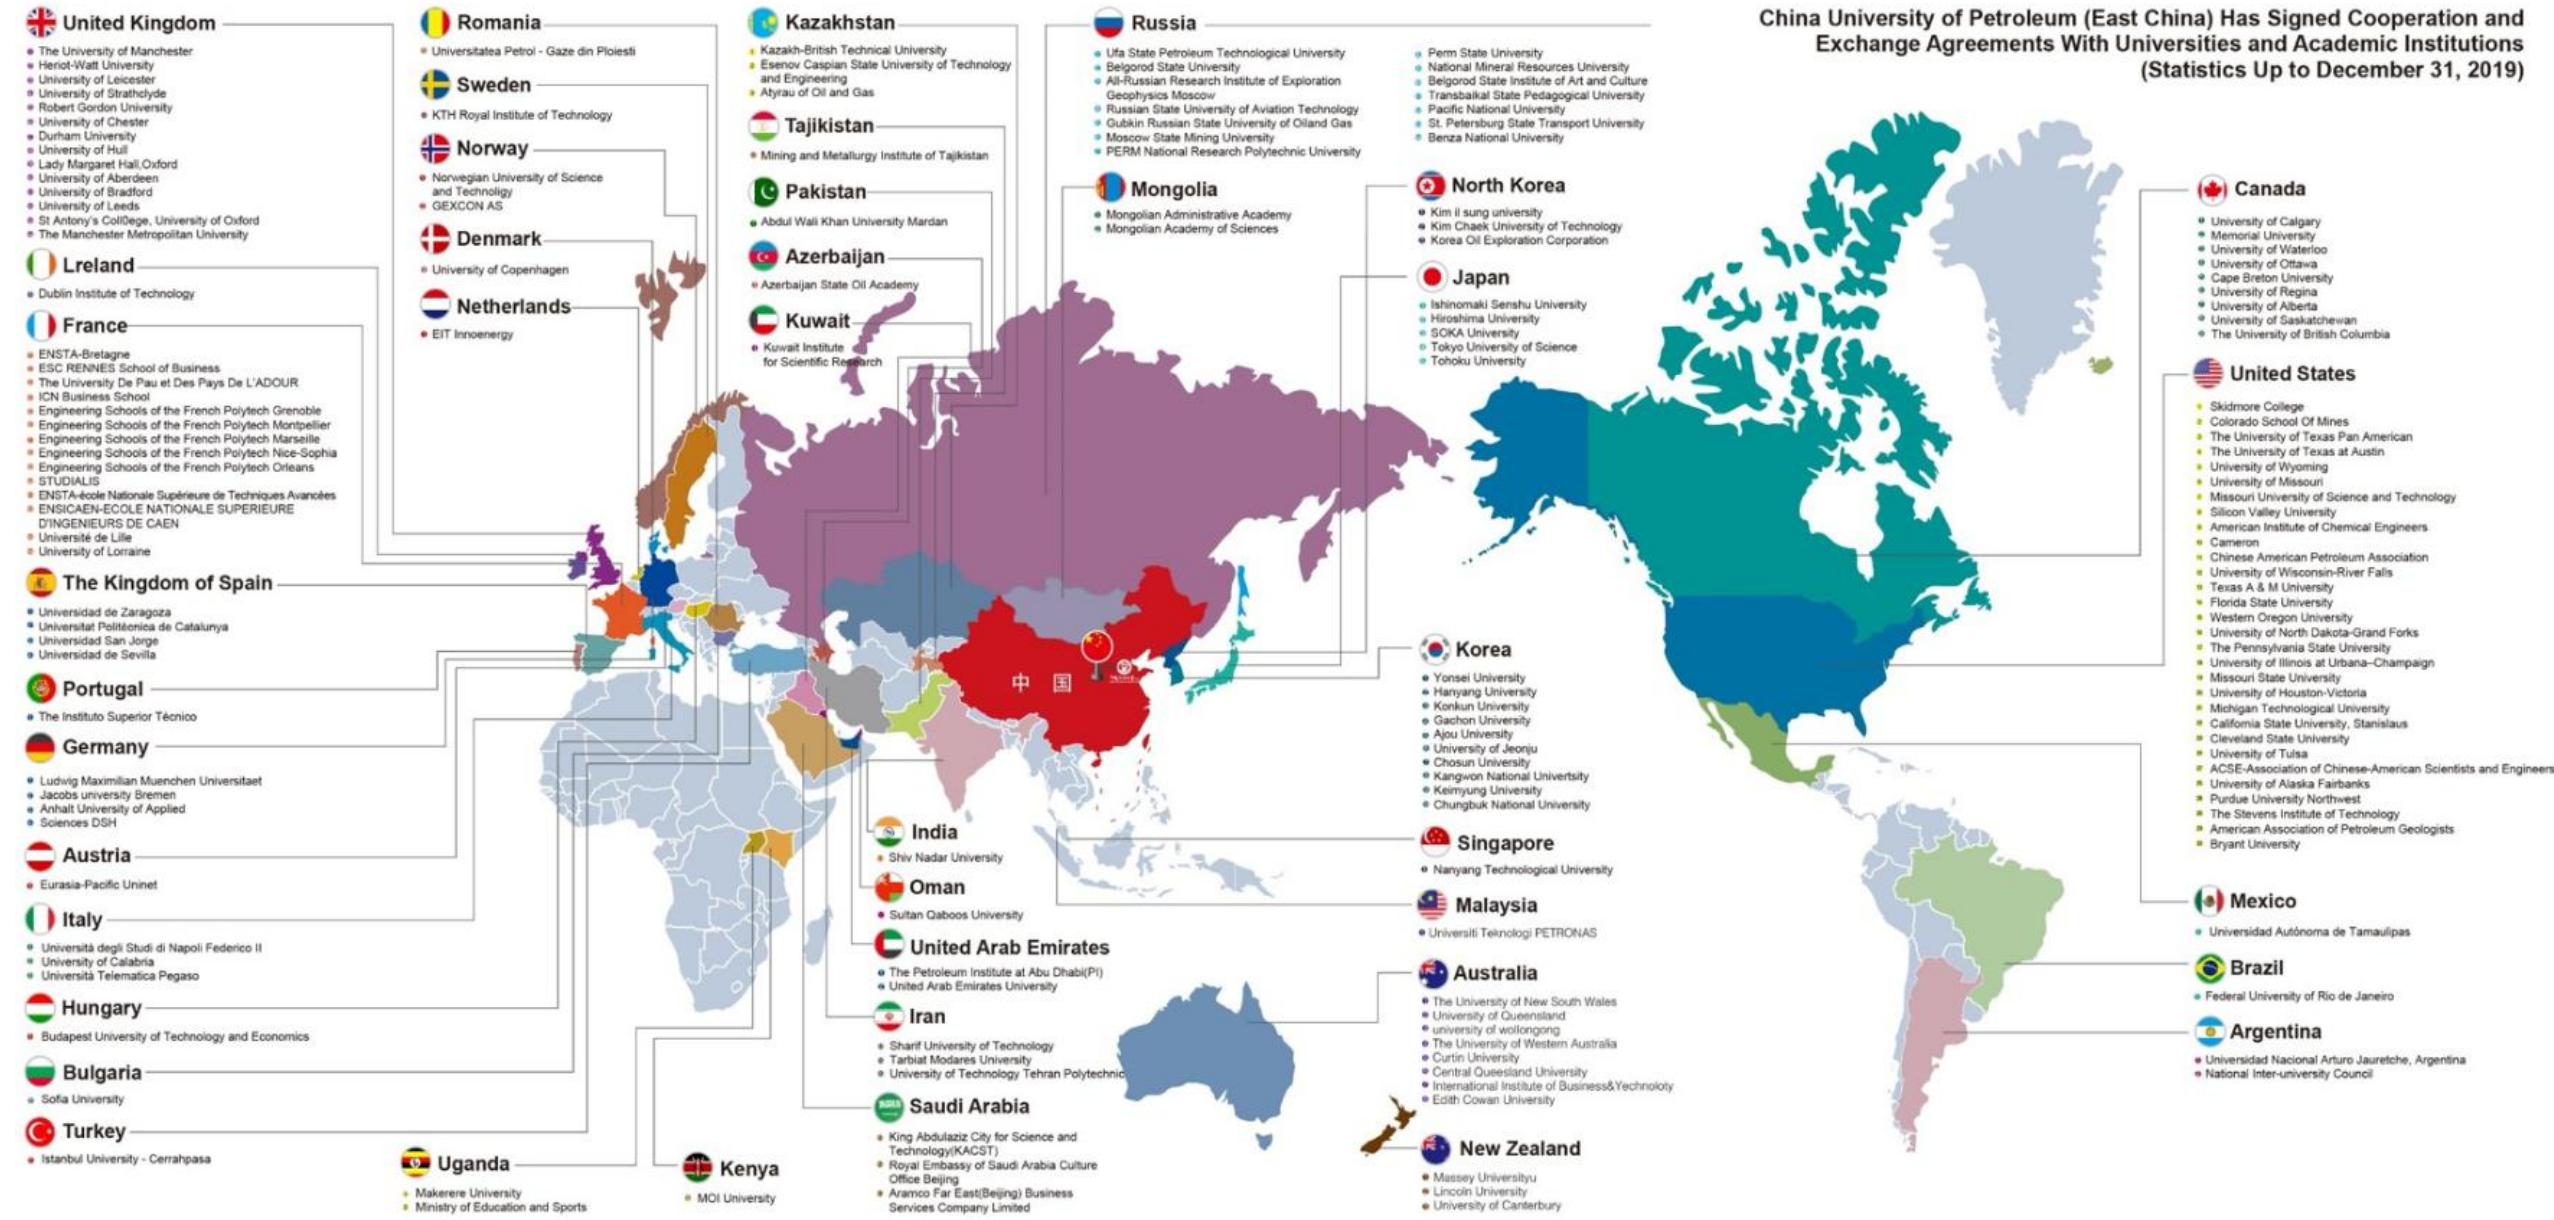

• **11 Academicians of the Chinese Academy of Sciences & Engineering**

# International Corporations & Partners

UPC has established official relationship with 180+ universities and institutions from 40+ countries and regions.

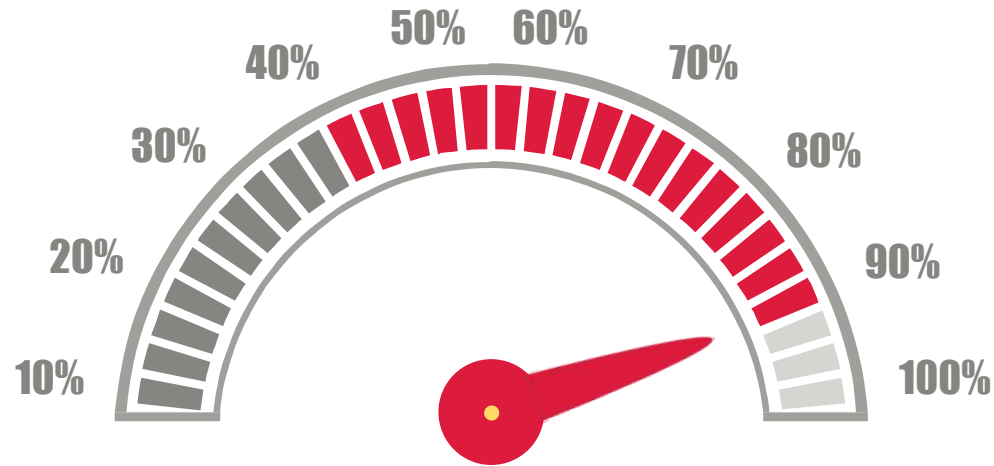

China University of Petroleum (East China) Has Signed Cooperation and Exchange Agreements With Universities and Academic Institutions (Statistics Up to December 31, 2019)

# Employment Rate

**90%** for the past 25 consecutive years

## National Recognition

- Ministry of Education:

“Advanced Higher Education Institution in Employment Rate”

- The State Council:

National Advanced Institution in Employment Rate

- “One of the 50 National Exemplary Higher Education Institution in Employment Rate”

200,000+ Alumni

UPC is among **top 35** with the number of CEOs in Fortune Global 500 (*Times Higher Education-2017*).

Vice-premier  
The State Council  
吴仪

Chairman  
CNPC  
王宜林

Chairman  
CNOOC  
汪东进

SinoChem  
Executive  
杨华

# 16 Colleges & Schools

School of Geosciences

School of  
Petroleum Engineering

College of Chemistry and  
Chemical Engineering

College of Mechanical and  
Electronic Engineering

College of  
Pipeline and  
Civil  
Engineering

School of  
Materials Science  
and Engineering

College of Control  
Science and  
Engineering

College of  
Oceanography  
and Space  
Informatics

College of  
Science

College of  
New Energy

College of  
Computer  
Science and  
Technology

School of  
Foreign Studies

School of  
Humanities and  
Law

School of Economics  
and Management

Department of  
Physical  
Education

School of  
Marxism  
Studies

# UPC Programs

**68**  
Bachelor's  
programs

**33**  
Master's  
Programs

**26**  
Doctoral  
Programs

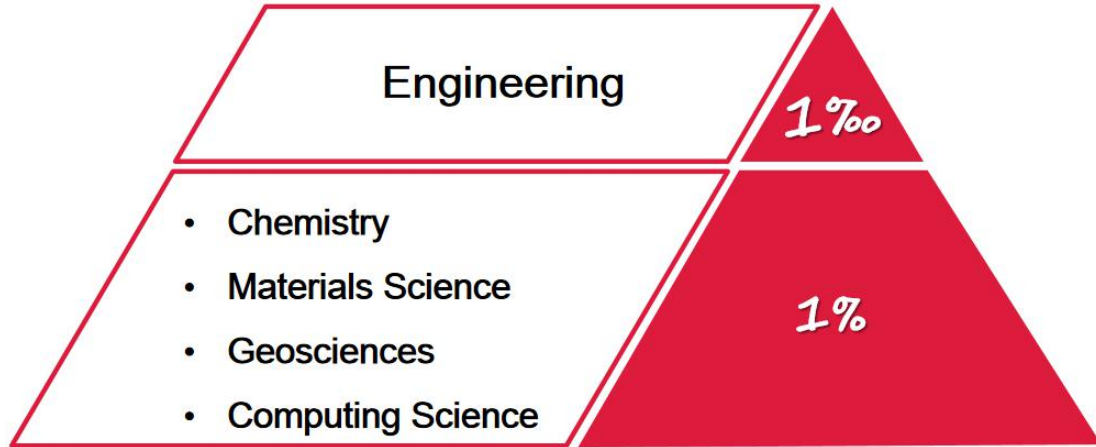

**11**  
Postdoctoral  
Stations

<b>National First-rate Programs</b>	Resource Exploration Engineering	Exploration Technology and Engineering	Geology	Geophysics
	Petroleum Engineering	Chemical Engineering and Techniques	Security Engineering	Oil-Gas Storage and Transportation Engineering
	Process Equipment and Control Engineering	Automation	Computer Science and Technology	
<b>Provincial First-rate Programs</b>	Offshore Oil and Gas Engineering	Naval Architecture and Ocean Engineering	Environmental Engineering	Vehicle Engineering
	Industrial Design	Material Science and Engineering	Material Physics	Material Chemistry
	Geomatics Engineering	Earth Information Science	Electronic and Information Engineering	Communication Engineering
	Measurement & Control Technology and Instrumentation	Software Engineering	Marketing	Chemistry
	Information and Computing Science	English	Law	

# Featured Disciplines

## *Essential Science Indicators* (2020.05)

Our Engineering discipline ranks 83 in the world.

### Featured Programs

**Oil and Natural Gas Engineering/Petroleum Engineering**

**Geological Resources and Geological Engineering/Geology/Resource Exploration Engineering**

**Oil and Gas Storage and Transportation Engineering**

**Chemical Engineering and Technology**

**Mechanical Design, Manufacturing and Automation**

**Management Science and Engineering**

**Teaching Chinese to Speakers of Other Languages**

# Programs in 2022

## Spring Semester

### Non-degree Courses

- Chinese Language & Cultural Program
- Foundation Program
- Summer Program

## Fall

### Non-degree Courses

- Chinese Language Program
- Foundation Program

### Degree Programs (Chinese)

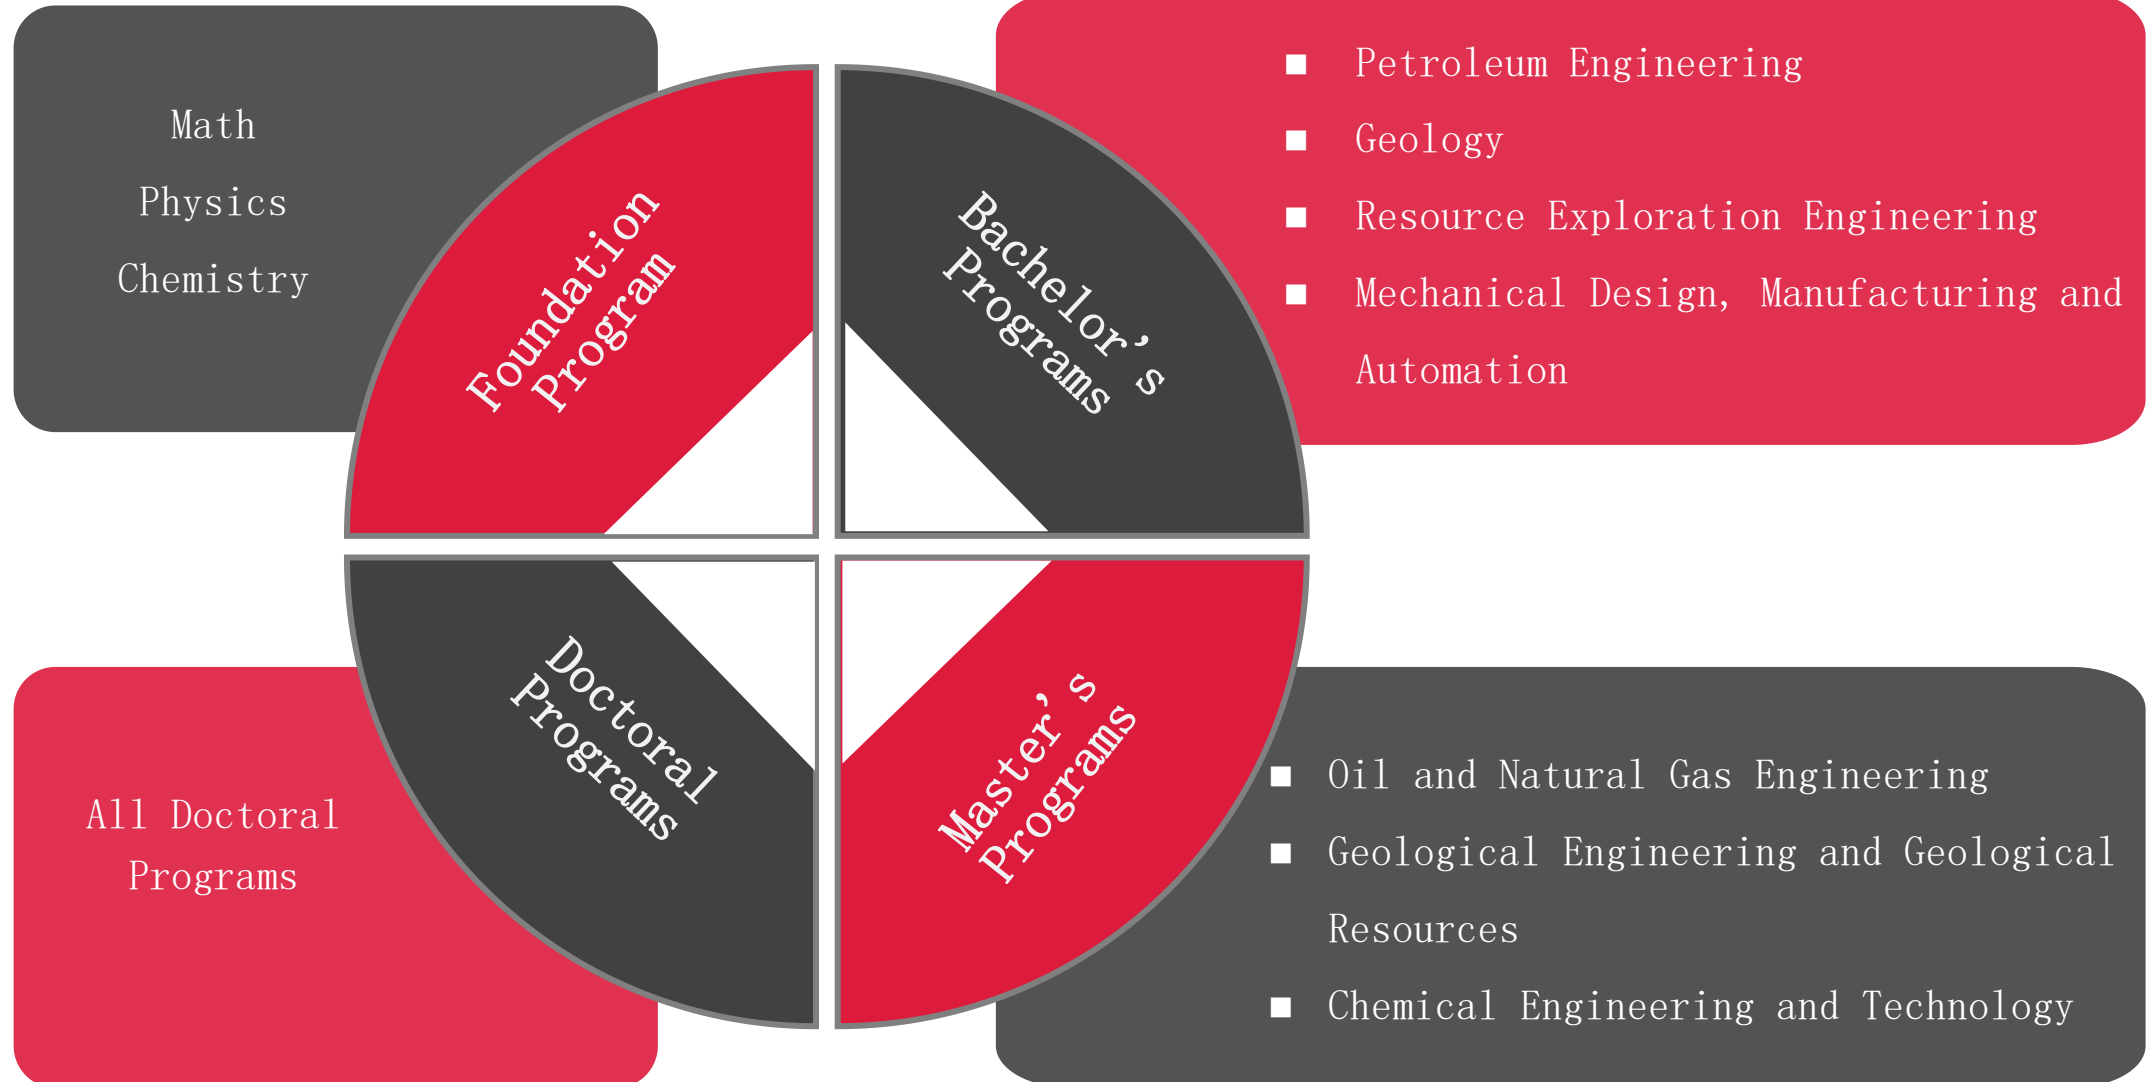

- 68 Undergraduate Programs
- 33 Master's Programs
- 26 Doctoral Program

### Degree Programs (English)

- 4 Undergraduate Programs
- 3 Master's Program
- All Doctoral Programs

# English-taught Programs

# Two Campuses

青岛 Qingdao

帆船之都  
海滨之城

## Key Facts

Area of teaching buildings 509100m<sup>2</sup>

Functional classrooms 330+

Number of seats 36,000+

Total values of teaching & research equipment ¥1,103,000,000

# Campus & Facilities

# Library

- 3.514 million paper books
- 1,288 paper periodicals
- 1.88 million e-books
- 42,000 electronic journals
- 9.12 million dissertations
- 122 Chinese & foreign databases

.....

 Ethic Award Scholarship

 HSK Excellence Scholarship

 Academic Excellence Scholarship

 Excellent Student-Cadre Scholarship

 Arts & Sports Activist Scholarship

 Chinese Government Scholarship

 Local Government Scholarship

# Internship Programs & Bases

**Geological Field Practice**

**Professional Training**

**Metalworking Practice**

**Electrical Practice**

中國石油大學(華東)  
CHINA UNIVERSITY OF PETROLEUM

# Why Qingdao

A Seaside City to  
Study and Live

**美国《财富》杂志：“中国最佳新兴商务城市”**  
*The Best Emerging Business City in China*

**世界银行：“中国投资环境金牌城市”**  
*Gold Medal City for Investment Environment*

**国际帆船比赛**  
*International Sailing Events*

**APEC贸易部长会议和高官会**  
*2014 APEC SOM2 & MRT*

**世界园艺博览会**  
*2014 International Horticultural Exposition*

**世界休闲体育大会**  
*2015 World Leisure Games*

**上海合作组织青岛峰会**  
*2018 SCO Qingdao Summit*

Population: 9.4 million

World's 7<sup>th</sup> largest seaport city

Major economic center

China's sailing city

Olympic City

Close to the birthplace of Confucius & Confucianism

Historical and cultural city

International Beer Festival

International Ocean Festival

International Piano & Violin Competition

Golden Beach & Silver Beach

Mount Zhu

Tangdao Bay Park

Lang Ya Tai

**Transportation:**

- Qingdao International Airport
- 5 Train stations
- Subway & Bus
- Undersea tunnel

Massive tourist attractions & Pleasant climate

Rich educational & cultural atmosphere:  
50+ universities & scientific research institutions

# Student Life

## Science Contests

- 100+ Science activities were held in two months.
- UPC won 20+ national prizes in the past 3 years.

# Student Life

## Smile Festival

- Smile is beautiful and more than beautiful.
- Presentations from women of influence, girls' garden activities, girls' fun games, etc.

# Student Life

## Art Festival

- Singing competition
- Dance competition
- Host competition
- Aerobics competition
- Debate competition

# Student Life

## Student Society Festival

- Our campus is a busy place with **130+** Student societies.
- Presentations, publications, performances, sports contest, exhibitions, social services, etc.

# Student Life

## Volunteer Festival

Volunteers help with the elderly, disabled, laid-off, and students with financial difficulties, etc.

# Student Life

## Sports Festival

- Various contests
- Mind sports games
- Fun games

# International Student Contests

- CCTV
- China Daily
- Guangming Daily
- www.xinhuanet.com
- IFENG.com
- sina.com.cn
- Shandong TV Station

# How & When to Apply

## 1 Entry Requirements

Please visit  
[http://cie.upc.edu.cn/admission\\_en/Admission/Entry\\_Requirements.htm](http://cie.upc.edu.cn/admission_en/Admission/Entry_Requirements.htm)

## 2 Application Procedures

Please visit  
[http://cie.upc.edu.cn/admission\\_en/Admission/Application\\_Procedures.htm](http://cie.upc.edu.cn/admission_en/Admission/Application_Procedures.htm)

## 3 Online Application

Please visit <https://upc.17gz.org>

Check Results

	Application Starting Date	Application Deadline
Spring Semester	October 15	Next January 10
Fall Semester	March 15	July 15
