One of Top 10 Livable Cities**

Zhejiang Normal University(ZJNU), founded in 1956, is one of the five key universities in Zhejiang Province, and one of the top 100 universities in China. According to the Times Higher Education World University Rankings 2022, ZJNU ranks NO.1 among Zhejiang provincial universities, ranks between 25-34 in China, ranks 89 in Asia, and ranks between 501-600 in the world. According to the US News University Rankings 2022, ZJNU ranks NO.1 among Zhejiang provincial universities, ranks 65 in China, ranks 159 in Asia, and ranks 696 in the world.

Mathematics, Chemistry, Engineering, Materialogy and Environment/Ecology are the five top 1% disciplines in the world according to the ESI(Essential Science Index) global ranking, and 20 disciplines are listed as first-class disciplines in Zhejiang Province. There are 24 national first-class undergraduate professional construction sites, 28 national courses, and 4 national experimental teaching demonstration centers at ZJNU.

ZJNU possesses 3 campuses, covering an area of more than 4,000 acres with well-equipped libraries, laboratories, gymnasiums, entertainment centers, hospitals, supermarkets, etc. The university consists of 20 colleges and offers 72 undergraduate programs, 11 first-level doctoral programs, 1 professional doctoral degree program, 30 first-level master degree programs, 16 professional master degree programs, and 7 post-doctoral research stations.

There are over 50,000 students at ZJNU including more than 3,000 international students from over 110 countries. International graduates play important roles in politics, economy, culture, education and other fields all around the world. Its green and beautiful campus furnishes an ideal place for living, study and work. The university makes strenuous efforts to open up to the outside world. In recent years, cooperation of academic exchange has been set up between the university and over 280 overseas universities and institutes in more than 60 countries and regions.

CITY

The main campus of the university is located in one of the four metropolitan areas in Zhejiang Province—**Jinhua-Yiwu Metropolitan area**.

Jinhua enjoys very convenient transportation with 40 minutes to Hangzhou and 100 minutes to Shanghai by the high-speed rail. It is a 15-minute journey from Jinhua to Yiwu—the world's biggest international trade market.

GREAT ENVIRONMENT FOR THE **GROWTH** OF ALL TALENTS.
