among south east China

Fudan University

TOP 1 Finance Major in Southeast

The Earliest

One of the first Institutes in China to establish Finance Major

1917

Fudan University was the first among Chinese universities to found a business program.

The Pioneer

The pioneer on finance research

1981

Fudan University is one of the first universities in China to be granted the right to confer master's, doctoral, and post-doctoral degrees in finance.

The Only One

The national key finance subject

1987

Fudan University became one of the first universities in China to have a national key discipline in finance, and the only one in Jiangsu, Zhejiang and Shanghai.

New Chapter

Fudan International School of Finance

2017

International School of Finance, Fudan University(FISF) was founded in late 2016. FISF is a business school founded in accordance with the management model and standards of the world's leading business schools, focusing on high-end financial talent education and financial think-tank research.

Unparalleled Location

绝佳的地理位置

SHANGHAI

World Economic Center

Shanghai You can find Shanghai Stock Exchange, Shanghai Gold Exchange, Shanghai Futures Exchange, Shanghai Diamonds Exchange, Shanghai Commercial Paper Exchange, etc.

Distinct Oriental Culture

In the eyes of a foreigner, Shanghai has a unique oriental charm, while in the eyes of a Chinese, Shanghai certainly has strong Western flavor.

Convenient Transportation

Shanghai has an extensive public transport system, largely based on buses, trolley buses, taxis, and a rapidly expanding metro system. There are two international airports, 4 train stations, 18 metro lines in use.

PART FIVE

GLOBAL VERSION

FMBA FT+

Full-time Taught Program
2023 Intak

Internationalization with required Overseas Module

Started from SH and explore to worldwide financial center

Internationalization with **Global Degree Partners**

The University of Wisconsin-Madison has one of the oldest and one of the best academic real estate programs in the world. The Wisconsin Real Estate Program earned a **#1 ranking from U.S News & World Report** for its undergraduate program and consistently ranks as **one of the top three real estate programs at all levels**. The department traces its history back to Richard T. Ely's 1925 program in land and public utility economies.

Columbia University is one of the world's most important centers of research and at the same time a distinctive and distinguished learning environment for undergraduates and graduate students in many scholarly and professional fields. Columbia University (Fu Foundation) is ranked **No. 11 in Best Engineering Schools** around the globe. Its **MFE program ranked No.1 globally** for consecutively 10 years.

Singapore Management University (SMU) is particularly renowned for its excellence in finance and business education. The Lee Kong Chian School of Business (LKCSB) is amongst **1% of business schools worldwide** to hold triple crown accreditation. In addition, the MSc in Wealth Management (MWM) is granted **1st in Asia and 3rd around the world** for FT Masters in Finance Post-Experience.
